

PAUL O'MAHONY

Dublin, Ireland | ptomahony@gmail.com Portfolio: www.paulomahonydesign.com

PROFESSIONAL SUMMARY

Set and Production Designer and Educator with 25 years of multi-disciplinary expertise in premier theatrical productions, broadcast, and international large-scale events. I possess a deep understanding of the full production lifecycle, from conceptual spatial storytelling and architectural drafting to the management of complex international builds for audiences exceeding 70,000. Currently Lecturing at SETU, I leverage this extensive industry knowledge to mentor students in contemporary Set Design practice.

EXPERIENCE

LECTURING & ACADEMIC

- Assistant Lecturer | SETU, Carlow (September 2024 – Present)
 - Lead Lecturer for the Set Design and Construction (Level 7 and 8) programmes.
 - Specializing in teaching technical drafting, 3D modeling, and the transition from concept to construction.
- External Assessor | Sligo Institute of Technology
 - Conducted assessments for the BA in Performing Arts Theatre Design.
- Guest Speaker & Visiting Artist (Various Dates)
 - Invited speaker at The Lir, DCU, Trinity College, and the Abbey Theatre's New Playwrights Programme.
 - Taught and designed specifically for The Lir Academy of Dramatic Arts.
 - Judged for the Irish Student Drama Association's festival awards 2010.

BROADCASTING & PRODUCTION DESIGN

- Production Designer | RTÉ, Donnybrook, Dublin (2022 –2023)
 - Designed for documentaries, advertising campaigns, and televised events on location.
 - Developed visual environments and translated brand requirements into broadcast-ready physical and virtual sets.
- Production Designer | Web Summit, Dublin (2018 – 2022)
 - Responsible for all key 3D design elements and lighting concepts for global events and online platforms.
 - Designed stages, lounges, and installations for 70,000+ attendees at Web Summit (Lisbon), Rise (Hong Kong), and Collision (Toronto).
